**Note**

- As the move to new premise is not yet effected we are constrained by limited access to classroom:
- Classroom 15 is available and all lectures are being fitted into that
- On Fridays room 14 too will be available.
- On Fridays all 3 batches will be on the premises around noon time so that common activities may be possible if required
- On Thursday mornings the 2008 & 2009 batches will join the Business student for the subjects indicated
- The Nov-2007 batch is following a special calendar & while late evening classes are not being held this semester they may become necessary after mid-November
